## Locals supporting locals since 1979

This next year the SAFE Society, staff and volunteers hope to continue to be able to provide support services to those in need in our community. Fundraising dollars for 2013-2014 are used to continue support programming for the Children Who Witness Abuse program, Police Based Victim Services program, and the Transition House program (Women's Shelter). The SAFE Society has a long term vision which includes the construction of low cost second stage housing that will provide supportive living to families. *Want to know more about programming services please check out NEW website at [www.safesociety.ca](http://www.safesociety.ca)*

Please help those in need

Safety, security,  
housing and support are  
key ingredients when  
healing from abuse.

Please help us make this  
happen for hundreds of  
vulnerable people in our  
community who are  
suffering in silence.

You don't have to be hit to be abused, emotional, spiritual, financial  
and sexual abuse often leaves invisible scars.
